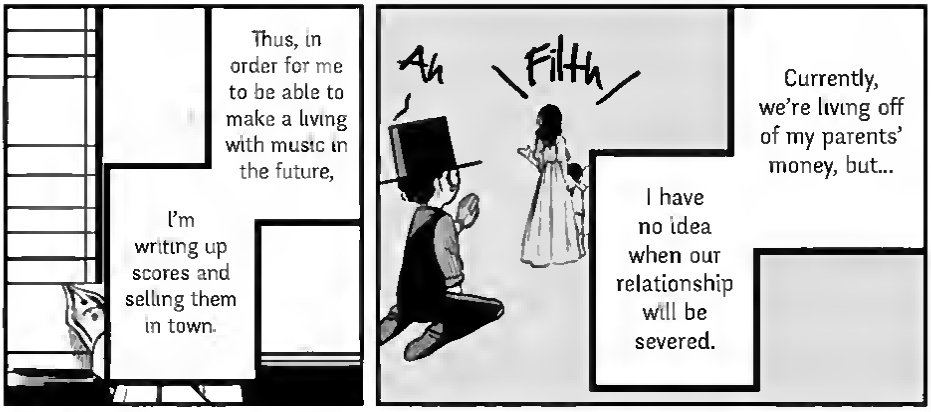
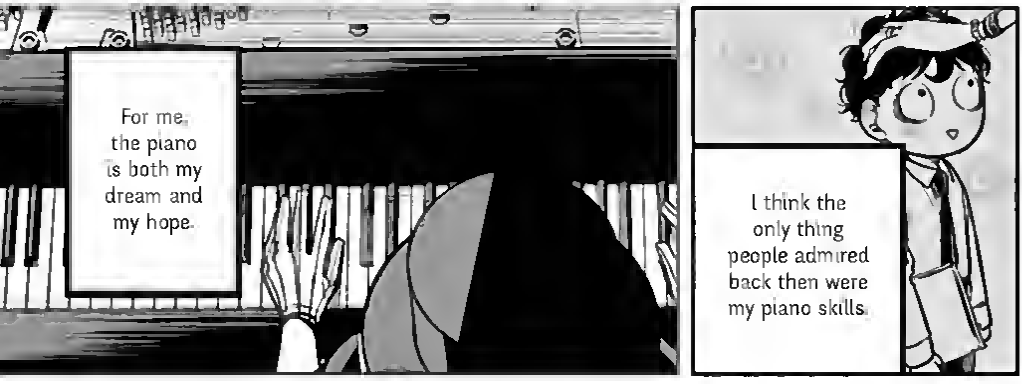
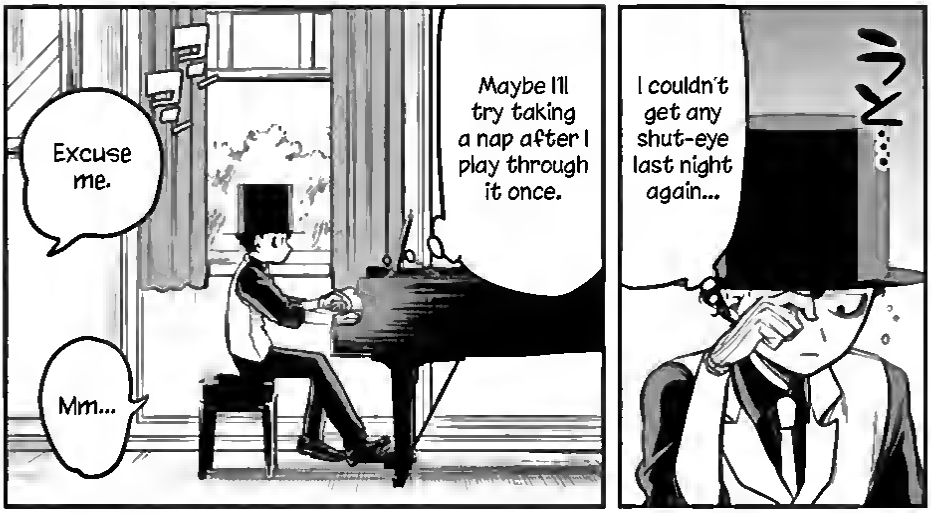
Chapter 6: Piano



Thus, in order for me to be able to make a living with music in the future,
I'm writing up scores and selling them in town.
Ah
Filth
Currently, we're living off of my parents' money, but...
I have no idea when our relationship will be severed.



For me, the piano is both my dream and my hope.
I think the only thing people admired back then were my piano skills.

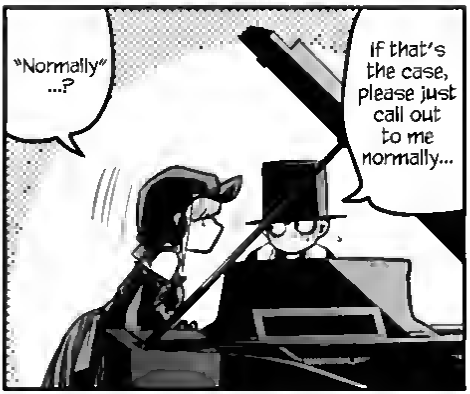


Excuse me.
Mm...
Maybe I'll try taking a nap after I play through it once.
I couldn't get any shut-eye last night again...
ZZZ

Okay.
I have come to clean the room.
I will be leaving promptly, so do not mind me.

Is this a requiem?
.....!!
I apologize
It was a beautiful song, so I unconsciously ...

"Normally", you say...?
That means don't get close to me!



"Normally" ...?
If that's the case, please just call out to me normally...

Of course.
ペリ
You do your best with your work!
It's fine, please just leave me be.

She's on my mind...

If you keep shaking that much,

You're looking at me too much.
You're doing it on purpose, aren't you!?
My Duke.

Although it sounds gloomy,
it is a lovely song, isn't it?
...Say,
you called it a "requiem" earlier, but...
Truth is, I intended to write it as a ballad for you.
I was embarrassed so I thought about stopping,
but in the end, I wanted you to be the first one to listen to it.
